Works best with crayons or washable markers

Ever since
I can remember I wanted
to be a professional artist.

When I tried to learn how to draw,
I quickly realized that I was actually
being taught how to copy.

I searched and searched but I couldn't find a simple technique
that would help me to draw the characters I had in mind.
After years of experimenting I developed a technique
that enabled me to draw any characters I wanted.

Today I travel around the world teaching millions of people
how to use my technique. Partnering with **ZIPIT** was the
next natural thing to help more people and show them that
only when you believe in yourself can you truly succeed.
When I read letters from my fans and hear their
stories, I learn that the **Drawing Easily** technique
not only improves **drawing skills** but enables
parents to have fun, quality time with their
children. It helps children **express** themselves,
and strengthens their **self-confidence**.

**ZIPIT Drawing Easily is fun and easy and I can't
wait for you to try it! Don't forget that anything
is possible if you just Unzip Your Mind!**
